

Alaqua Animal Refuge is in search of a full-time Veterinarian to join our team. Become one of our most invaluable partners to inspire, empower, and educate others to change our society! Experience rare surgical opportunities, participate in clinical trials, try new procedures, and help give second chances to animals in need.

Our Mission

To be a leading advocate for all animals,
To maximize the healing power animals have on the human spirit, *and*
To provide shelter, safety, and second chances to animals in need.

SALARY

80K-160K *Based on education and experience*

BENEFITS

Dental, Vision, Health Care Reimbursement, 20K Life Insurance policy, Long- and Short-Term Disability, Employee Assistance Program, Veterinarian Mentorship Program, Work life balance with Flexible Work Schedule, PTO, Travel discounts and Assistance, EAP, Onsite Health and Wellness activities, AFLAC Accident Advantage Plan, Discounted Pet Insurance, Life Services Toolkit, and More!

Alaqua's Medical Clinic includes fully equipped exam rooms, X-ray equipment, surgical suite, ICU, veterinary office, and animal recovery areas. Additional equipment includes a dental machine, digital radiography, in-house bloodwork and urinalysis machines, isolation ward, and basic tools for orthopedic surgeries.

We are a recognized leader in animal rescue, welfare, cruelty prevention, and advocacy to help animals of all kinds including domestic, exotic, farm, equine, and native wildlife. Our facility is a one-of-a-kind facility and sanctuary —the first in the United States- that empowers us to rescue, treat, and rehabilitate animals, in addition to offering education and a training center for animal welfare advocates.
